Galgotias College of Engg&Tech(GCET):

GalgotiasEducational Institutions (GEI) comprising of Galgotias University (GU), Galgotias College of Engineering & Technology (GCET), Galgotias Institute of Management & Technology (GIMT) and Galgotias

Business School (GBS) were founded by Smt. Shakuntla Educational and Welfare Society. The GCET is approved by AICTE, Ministry of HRD, Government of India and affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow (U.P.). The Institution offers 9 Under Graduate Programme in Regular and 5 PG Programme in Full Time. The Campus is located on 8-lane expressway connecting Greater Noida with New Delhi and is surrounded by a green landscape and lush environment.

About ICACCCN 2018:

International Conference on Advances in Computing, Communication Control and Networking –ICACCCN (ICAC3N'18) will be held during October 12-13, 2018 in Greater Noida, India, Galgotias College of Engineering and Technology. The conference is an international forum which aims to bring together leading academician, researchers and research scholars to exchange and share their experiences and hard-earned technological advancements about all aspects of based on their research related to Computing, Communication Control & Networking. We invite all leading researchers, engineers and scientists in the domain of interest from around the world. We warmly welcome all authors to submit your research papers to ICAC3N'18, and share the valuable experiences with the scientist and scholars around the world.

About Information Technology & Computer Science Engineering Deptt:

The Information Technology & Computer Science Engineering Departments of GCET came in to existence in 2000. The departments have grown significantly after its inception and currently offers a UG program in Information Technology and Computer Science Engineering which enriches the knowledge of Practical Engineers from the nearby Industries and Research Institutions which includes Government and Private Sectors utilizing the locational opportunity of National Capital Region.

CallFor Papers

Authors are solicited to contribute to the conference by submitting articles that illustrate research results-projects, surveying works and industrial experiences that describe significant advances in computing,communication and Automation. Topics of interest for submission include, but are not limited to:

Track Details:

- Evolutionary Computing, Distributed and Parallel Processing , Cloud and Green Computing, IOT, Data Mining, Advance Database Management System,
- BigData, DataAnalysis, MachineLearning And ArtificialIntelligence, Mobile Computing,Artificial Neural Network,MANETs,Computer Networking
- Cyber security, Virtual Reality,NetworkSecurity,WSN, Multimedia Applications
- Web Intelligence & Semantics
- Ubiquitous Computing & Networking
- Software Engineering & InformationSystems
- Intelligent Systems & Automation
- Hardware design & Communication
- Signal & Image Processing, VLSI Design
- Wireless Sensor Networks, Security
- Robotics & Automation
- Communication Network and Systems
- Smart Grid Technologies
- Smart buildings Technologies
- New Measurement technologies and Application, Fuzzy & Neural Networks
- Digital Rights Management System
- Energy development, Renewable Energy
- Green Computing & Internet of Things
- Web Intelligence & Semantics, and Data Mining

ICACCCN is indexed in SCOPUS and GOOGLESCHOLAR
All registered& presented papers are available on IEEEXplore DigitalLibrary.

Interested authors are invited to submit full papers including results, figures and references. Papers will be accepted only by electronic submission through easy-chair:
